

Keswick Alhambra Centenary Project

To celebrate the centenary of the Keswick Alhambra Cinema in 2014 we are collecting people's memories and stories of the cinema. If you would like to help, please fill in the form below

Name	
Age <i>If you don't mind giving us your age it would be very helpful.</i>	
Address	
Phone number	
Email address	
Your connection with the Alhambra <i>Did you work there, view films there? Any other connections?</i>	
Brief summary of your Alhambra 'story' <i>What story/stories can you share about the Alhambra? Did you meet a future partner there? Was it part of your childhood/teenage years? What films did you see? Was it shelter on a rainy day?</i>	
Relevant dates <i>If you can supply approximate dates for your memories, it will help build up a picture of the cinema over the years</i>	
Memorabilia <i>If you have kept tickets, programmes etc we would love to see them</i>	
Would you be willing to be interviewed either audio or video to tell your stories? <i>Please say yes! If you do, we may contact you between September and December to talk further, so saying yes now does not commit you to anything. If we do interview you, we hope it will be a pleasant experience, and your story will play an important part in the centenary celebrations.</i>
