

CAFS Report for Dec 2013

CAFS would like to wish all members and supporters best wishes for the festive season and the hope that there will be good films to see then and in the year to come.

There is no film in Dec but do not miss a real cinematic treat on Fri Jan 17 2014 at 7.30pm in Caldbeck Village Hall. **Life of Pi** contains fantastic photography and amazing visual effects. It won 4 Academy Awards and was directed by the versatile Ang Lee.

Those of you who attended the supper+film enjoyed great food and an entertaining film, despite the cool temperature of the village hall. Several people asked me about the spiced cranberry and orange sauce that I made. It is now available from Jill's Jams, as she is better equipped to produce batches of it. Contact her on 016974 78461 or buy it from her unit in Wigton Market Hall.

Films showing at Keswick Film Club in December are a truly international selection :

Sun 1st Dec Like someone in love

Sun 8th Dec I am Nasrine

Sun 15th Dec The Great Beauty

Sun 22nd Dec Wadjda
